Dear Hon,

Am very sorry Jane Nat return this Coin sooner but my life is undergoing Great Change Now and I don't know any time Jane Coin When My present mess is straighted out I'll Call You

Sincerely
Roger

Dear Roger - The Organ!

Many thanks for the belated, but safe, return of the book cart -

I'd recently heard that you were "very involved" in a family crisis - decision problem - One never likes to hear of a friend's troubles -

I do hope everything works out for the best possible for you in coming months - family wise, business wise, coin wise and health & happiness wise -

Best Regards too -

Con 7
